UNI CS 3470/5470, Section 1 (Fall 2014)
Networking

Experience Survey

Instructor
Sarah Diesburg (diesburg@cs.uni.edu)
Office: 311 ITTC
Office hours: MW 2:00-3:00pm, TTh 3:00-5:00pm, and by appointments

Instructions: Please fill out and turn in at the end of class.

Student name: _________________________
Major: _______________________________ e-mail: _______________________
Expected degree date: _________________ Year: FR SO JR SR GRAD

Prerequisites for Computer Science Majors when taken
  CS 1410 Computer Organization
  CS 1520 Data Structures
  CS 1800 Discrete Structures

Prerequisites for Industrial Technology Majors
  TECH 1037 Intro to Circuits
  TECH 2041 Intro to Analog Electronics
  TECH 2042 Intro to Digital Electronics
  CS 1160 C/C++

What computer programming languages have you used? __________________________
________________________________________________________________________
________________________________________________________________________

Do you have any network programming experience (e.g. writing programs that communicate
over a network)? ___________________________________________________________
________________________________________________________________________
Do you have any other networking experience (e.g. setting up a wireless router, setting IP addresses, configuring a firewall, work experience)? ______________________________
